

Wow, The Millennium Team credo of ***"DON'T JUST HIRE AN AGENT, HIRE A TEAM ... THE MILLENNIUM TEAM"*** is evidenced in Amy's unrivaled attention-to-detail !!

Speaking for me, Amy has certainly kept me in line these past couple of months,, and I genuinely appreciate all her hard work, even when it seemed like she was squeezing me on meeting my obligations. Amy only made me a better loan officer!! For that, I thank her.

I look forward to seeing some of you at the closing table.

My very best regards,

Wayne Olson
